CUSTOMER TESTIMONIAL

To Whom It May Concern:

I am writing this letter to recommend the services of Piedmont Service Group to you. During the past 8 plus years our company has been working with Piedmont on numerous different kinds of projects along with our PM's for our facilities. Piedmont offers high quality services. We can say that we have always been satisfied by their work.

One of our recent projects was to increase the safety for Truiant's employees for concerns of spreading COVID. Piedmont demonstrated their core values during this project. Piedmont worked numerous hours on collecting information and pricing for Ionization options for all of Truiant facilities Piedmont services. In my opinion it has been the knowledge and creativity of the company that resulted in such an impressive results.

I would strongly recommend the services of Piedmont Service Group for all your HVAC projects and service needs.
